Alex Gonzalez

Life Reminders

- An Android reminder app that allows preset and customizable lifestyle reminders
- Different notification styles for reminders (intensive, subtle, repeating, multiple times a day)

Life Reminders

- Sprint 1:
 - As a developer, I need info and access to the Google alarm process library to wake a small process of the app to initiate the reminder. (Ability to be notified of reminder)
 - As a developer, I need info and access about setting notifications in Android notification bar. (Ability to be notified of reminder)
 - As a developer, I need to store reminders so that I can use reminders later. (Ability to be notified of reminder)
- Sprint 2:
- Sprint 3:

Life Reminders

Insert high level diagram here of the overall flow of the app

Life Reminders
