Product Name: Life Reminders
Team Name: Off By One
Release Name: Version 1.0
Release Date: 3/20/2015
Revision Number: 2
Revision Date: 2/25/2015

High Level Goals:
- Be able to create and store multiple reminders in the app.
- Be able to enable and edit predefined Lifestyles.
- Be able to organize reminders into named Lifestyles.
- Be able to add/delete individual reminders.
- Be able to change notification intensity.
- Be able to repeat reminders based on hour, day, week, month, etc.
- Be able to add multiple notification types to each reminder time (have multiple times a day. example: reminder to take vitamins at 8:00 am and 9:00 pm every tuesday).
- Be able to add different notification types to different times.
- Be able to show notification to the notification bar in Android.

User Story For Release
- Sprint 1
    a. (8M) As a developer, I need info and access to the Google alarm process library to wake a small process of the app to initiate the reminder
    b. (5M) As a developer, I need info and access about setting notifications in Android notification bar.
    c. (13M) As a developer, I need to store reminders so that i can use reminders later.
- Sprint 2
    a. (13M) As a developer, I need to store reminders so that I can use reminders later. (Ability to be notified of reminder)
    b. (5M) As a customer, I need to be able to see the list of reminders I have set and their notification settings
    c. (8M) As a customer, I want to be able to add my own reminders so that I can customize it the way I want.
    d. (5M) As a customer, I need to be able to delete a reminder so that I won't be bothered with notifications I don't need anymore.
    e. (8S) As a customer, I need to be able to edit the information of a reminder so I can set each reminder the way I want
- Sprint 3
    a. (5M) As a user, I want to modify the lifestyle/reminder/notification
    b. (5M) As a developer, I want to push user created notifications to the notification bar
    c. (5M) As a developer, I want to be able to delete user created lifestyle/notification/ reminder

      d. (5M) As a customer, I want to be able to modify the settings
      e. (3M) As a customer, I want to add Reminders to individual Lifestyles or Notifications to individual Reminders
